

POULTRY 2024

WELCOME TO THE POULTRY PAVILION at the MILES SHOW, 2024.

In order to make the Poultry showing in our new pavilion a fantastic display, there will not be a judged competition this year. This is for several reasons, mainly because the show is on a weekday which precludes some participants who work.

However, we invite all bird-lovers who can, to bring along their birds for display on Show Day. There will be no specific Categories or Classes, so we hope to see a wide variety of birds. You are asked to have a label naming the breed of bird you bring. **All birds are to be free of lice, fleas, and disease.**

Each participant who shows 2 or more birds on the day will receive a small gift, and a Viewer's Choice, voted for by Show Patrons, will receive a prize.

Participants are asked to have their birds caged by 8.00am on Tuesday, May 21st, and may collect them again after 5.30pm on the day/

For all enquiries regarding the Poultry Pavilion, please contact the Poultry Steward **Jenny Noe**
